Producer, Director, Journalist, Comedian **Elevate productions with creativity and diligence**

My approach to storytelling is rooted in a commitment to authenticity and cultural richness to create professional video and theater productions. My skills sharpened over years in field production and writing leverage my experience to tell meaningful stories, direct crews, and create powerful videos. My dedication to excellence has shaped my leadership on any project, where I steer stories from conception to broadcast and on stage. I bring a creative and supportive perspective to develop ideas into distinctive narratives.
